

## **The Fairhaven Fringed Sofa**

Calm, balanced and unmistakably expressive, the Fairhaven Fringe sofa reinterprets the refined elegance of the original design with a touch of relaxed sophistication. Its timeless proportions and composed silhouette remain, while the addition of a tailored fringe introduces movement, texture and a sense of considered charm.

The gently shaped arms and generous cushions provide the same welcoming comfort and supportive sit, designed for everyday living and enduring shape. The fringe detail softens the overall form, grounding the sofa and lending a subtly decorative note that feels both nostalgic and fresh.

Fairhaven Fringe is a sofa that balances structure with softness — a statement of quiet individuality saying comfort, character and enduring style, perfect for interiors that favour warmth, personality and effortless refinement.
