

The Windsor Sofa

Graceful and commanding, the Windsor sofa is an iconic design defined by regal presence and enduring appeal. Its generously proportioned form is softened by gently curved arms and a beautifully upholstered silhouette, creating a sense of balance between grandeur and comfort. The row of plush back cushions adds depth and visual rhythm, enhancing both support and relaxation.

Designed for lasting comfort, Windsor offers a deep, inviting seat that encourages gathering, conversation and unhurried moments. The raised wooden base introduces a refined architectural detail, grounding the sofa while lending it an air of quiet distinction and timeless craftsmanship.

Windsor is a sofa made to stand the test of time — a confident centrepiece that brings elegance, comfort and a sense of heritage into the heart of the home.
